

Start Your Own Senior Services Business

Improve Others Lives-And Improve Your Own During the next 25 years, the senior population in America is expected to double. This will create a huge demand for senior services-and a tremendous business opportunity. If you excel at helping others, start a senior health-care business, tending to seniors in their homes or in your own facility. If you enjoy varied activities and can easily multitask, consider a transportation or errand service for homebound seniors. Light housekeeping, cooking, shopping, fitness training and other services are also urgently needed. This guide helps you: Choose the business that best uses your skills and fits in with your schedule Grow your business quickly with strategies for excellent customer service that leads to glowing recommendations Perform valuable services for the elderly, and make your business thrive Learn all the business skills you need to succeed, from financing to taxes to advertising and more No matter what kind of senior services business you want to start, this guide will put you on the road to success.
