\*\*\*THIS IS A FUN STANDALONE MC ROMANCE BAD BOY NOVELLA that also fits into the ongoing story of the FORSAKEN RIDERS!!!\*\*\* This is the 5th installment in the Forsaken Riders series of Standalone Novellas...but it is also a complete romance unto itself. Thank you so much for considering a visit to Slate Springs... The small town of Slate Springs is hiding a wild and lawless secret... At the center of its quiet society is a ruthless motorcycle club, hell bent on domination. The feud between the Forsaken Riders and the bike club of nearby Ironhill is reaching breaking point. And caught right in the middle is Destiny... A girl who was in the wrong place at the wrong time and is now paying the price. After meeting Lev, member of The Iron Riders, Destiny is manipulated into going undercover with the Forsaken Riders only to be duped by the man who is supposed to love her. Destiny never wanted to betray anyone and now she is afraid for her life, and her future with a man, and a bike club that clearly view her as disposable. When one day she gets the opportunity to go into Ironhill alone, she is shocked and terrified when a group of masked men kidnap her and drive with her out across the desert and to the neighboring town of Slate Springs. The Forsaken Riders have taken her for revenge... and now she is prisoner in their clubhouse, with the sexy Hawk keeping guard and watching her every move... But will they believe her when she tells them she was innocent in all of the tragedy that has happened before... Or will she be the next casualty of the feud that is tearing up the desert and leaving a path of destruction in its wake? Only one thing is certain... For Destiny and Hawk, a storm is coming...
