

Delicious and Quick Toasties. A Speed Readers Guide.

Delicious Toasties , so quick and easy !!! For centuries, sandwiches have been a part of our daily menu. We enjoy them for breakfast, lunch, snack, dinner and at times as a dessert too. This versatile food preparation is the easiest, quickest and one of the most healthiest (depending upon the kind of stuffing you choose) food preparations ever. With the advanced technology and increased awareness, people experimented with the basic ingredient of preparing sandwiches that is bread. With many new bread options easily available in the market, one may choose bread depending upon their taste preference and health condition. Not only bread, even the spreads and butter that we use to prepare sandwiches are available in large varieties. The grills to prepare toasted sandwiches or the toasties are now available in very creative and interesting styles. In fact, some of the toasters are child friendly too, which are very easy to use and handle. There is no limitation in preparing this humble food. All one needs is some bread, lots of creativity and any ingredient to create a delicious stack of a satisfying sandwich. In this book, we present to you some of the tastiest and quickest to prepare an interesting set of sandwiches or toasties
