

# Successful Presentations: Get Brilliant Results Fast

Successful Presentations focuses on essential presentation skills to get your message across effectively. Its perfect for business owners, working professionals and anyone wanting to learn how to give great presentations. Practical and easy to use, this book is a step-by-step guide to making good presentations great, from managing nerves to tips and tricks to engage the audience, keep them interested and deliver your message effectively. The book is packed with helpful examples and practical exercises to complete. Brian Lomas is a business consultant and trainer. He has presented to audiences in excess of a thousand, faced the friendly and the not-so-friendly, and been asked numerous difficult questions, so he is well placed to advise on giving the best presentations.
