

Promise You Wont Freak Out: A Teenager Tells Her Mom the Truth About Boys, Booze, Body Piercing and Other..

In this honest and insightful she said/she said guide, sixteen-year-old Natalie Fuller tells all about her adventures and misadventures from ages thirteen through sixteen. Her brother, Greg, fills in on the later teen years. And Doris, the questioning, caring (and occasionally shell-shocked) mom offers her take on such mildly eye-opening and downright life-threatening topics as...alcohol and other drugs * sex and dating * school * appearances * partying * stealing * obsessions * secrets * lying Promise You Wont Freak Out gives parents a complete picture of how teens really think, feel, and act. And it gives kids a better understanding of why this picture freaks their parents out. For both, it offers some very helpful information-and an inspiring example of successful parent/teen communication.
