Complete summary of Tim Burns book: Entrepreneurship.com:How To Create a Winning Dot-Com Business Plan. This summary of the ideas from Tim Burns book Entrepreneurship.com shows that the days of preparing highly detailed, 100-page business plans are over. In the new economy, change is happening constantly. Therefore, a more flexible type of business plan is required which is concise, flexible enough to permit modifications to be made on the fly and focused on one key point how profitability will be achieved. This is the essence of The e-Plan. In just 10 PowerPoint slides, an executive summary and as much narrative as required, the e-Plan conceptualizes the business strategy and model. It encapsulates what the business proposes to do. As circumstances change or new opportunities arise, e-Plans can be adapted quickly and simply. In this practical guide, Tim Burns offers the keys to make a winning e-Plan. The e-Plan is a new generation business plan, optimized for the demands of the Internet business era. Added-value of this summary: Save time Understand key concepts Increase your business knowledge To learn more, read Entrepreneurship.com and discover valuable insights and fresh ideas for engaging in e-business projects.
