

Swords v. Cthulhu

What hope has a humble adventurer when faced with a fight against Cthulhu himself? No matter; the true swordsperson cares only for the bite of steel against flesh, whether that flesh be eldritch or more conventional. From the hottest voices in Lovecraftiana comes a collection that will take readers on a journey from ancient Rome to feudal Japan and from Dreamlands to lands that do not have names in any of the tongues of men. Glory awaits! The contributors include: Natania Barron, Eneas Brodski, Nathan Carson, Michael Cisco, Andrew S. Fuller, A. Scott Glancy, Orrin Grey, Jason Heller, Jonathan L. Howard, John Hornor Jacobs, John Langan, L. Lark, Remy Nakamura, Carlos Orsi, M. K. Sauer, Ben Stewart, E. Catherine Tobler, Jeremiah Tolbert, Laurie Tom, Carrie Vaughn, Wendy N. Wagner, Caleb Wilson
