

Live Your Life from the Front Seat: Accomplish Magnificent Things in Your Life, Relationships and Career

Jessica takes the traditional Myers-Briggs Type Indicator (MBTI) and puts her 20+ years of experience working with the tool into a new, creative and easy to understand method she created called, Live Your Life from the Front Seat. With her training as a psychotherapist and life fulfillment coach, she uses her sassy tell it like it is style to help you answer these powerful questions: Who are you? Where are you going? How are you going to get there? Using personality type, understanding of our nurtured selves, effective manifesting tools, and straight talk about taking action you will truly be able to Accomplish Magnificent Things and start Living Your Life from the Front Seat.
