

## Tapas: A Taste of Spain in America

The first major Spanish cookbook in two decades, from Jose Andres, recently named Americas Chef of the Year by Bon Appetit. Tapas are Spains gift to the world of great cooking: a fresh and fun way to eat with friends and family and easy to make at home. Using simple Mediterranean ingredients, a tapas feast is a perfect combination of little dishes packed with big flavors. Tapas by Jose Andres is the first major book in a generation to celebrate this world-renowned way of eating, from a man who is the best possible authority: an award-winning Spanish chef in America, with seven highly acclaimed restaurants to his name. Recently named Bon Appetits Chef of the Year, Jose is a new star in American cooking, as well as the nations leading expert on Spanish cuisine. Having worked as a chef in the United States for two decades, hes also a thoroughly American cook who draws on American ingredients for his inspiration, and is a master at translating his native Spanish cooking for this countrys kitchens. His simple and delicious recipes include: Fish such as American Red Snapper Baked in Salt; Monkfish with Romesco Sauce; and Basque-Style Stuffed Maryland Blue Crabs Chicken including Catalan-Style Chicken Stew; Chicken Sauteed with Garlic; and Chicken with Lobster Pork such as Chorizo Stewed in Hard Cider; Figs with Spanish Ham; and Roasted Pork Tenderloin with Apples Rice dishes including Lobster Paella; Black Rice with Squid and Shrimp; and Traditional Rice with Clams All these recipes are full of tremendous flavor and creativity, as well as in-depth ingredient notes and a rich atmosphere that will transport you to the lush countryside, hip cafes, and sun-drenched coasts of Spain and back again to dinner at home. This is a breakthrough cookbook from an extraordinary chef.
