

Waggy: The Ken Wagstaff Story

Years after his retirement, Ken Wagstaff remains a massive icon with fans at former clubs Mansfield Town and Hull City. A prolific goal scorer, he terrorized English defenses for 15 years, amassing 303 career goals in 625 appearances. At various times he was tipped for international honors and coveted by top managers including Brian Clough, but England eluded him and he ended up cementing his hero status at Boothferry Park by ending his career there, his partnership with Chris Chilton becoming the stuff of legends. This new edition has been updated to include anecdotes and revelations that have never appeared in print before.
