

Teens & Abusive Relationships: Dating Violence

TEENS & ABUSIVE RELATIONSHIPS: Dating Violence. This book is specifically for teens to help them manage their relationships. The Author exposes the differences between love and abuse in teen relationships. It also uncovers the damages of parental emotional abuse, and the effects of those situations in adulthood. Since teens are immature, it is easy to accept a shove, shout, or an insult from a boyfriend as harmless. The victim will excuse it as nothing. In the meantime, he is laying a foundation for future abuses that will damage the girl both physically and emotionally. It is the hope that each one who reads, will seriously think, ponder, reason, and learn with the knowledge, understanding, and wisdom obtained about relationships. The book is suitable for personal, Youth Ministry and in Sunday School sessions. Dr. Stuart is a Licensed Pastoral Counsellor and Radio Host. She has programs on Blogtalk www.blogtalkradio.com/DrBTMC and Talkshoe www.talkshoe.com/tc/11171. THIS BOOK IS AVAILABLE IN PAPERBACK FROM THE WEBSITE. www.frministry.org
