

## The 1976 Cincinnati Reds: Last Hurrah for the Big Red Machine

The era of free agency in Major League Baseball ensured that it would be difficult to keep star teams together year after year. The 1976 Cincinnati Reds were one of the last to be considered a dynasty, and this book documents the season of one of the greatest teams in baseball history. During the pursuit of a second-straight world championship in 1976, the Big Red Machine was fueled by all-time hits leader Pete Rose, slugger George Foster, and all-stars Johnny Bench and Joe Morgan, as well as a balanced pitching staff that had seven players notching double-digit win totals. The 102-win regular season ended with a World Series sweep of the New York Yankees.
