

Games for Building Self-Esteem

Comprehensive range of games focusing on three key areas of self-esteem By E A Morris Sound self-esteem is one of the most important qualities a child can have. This resource contains a variety of games and activities to promote self-esteem by working on three crucial areas - sense of self (knowing who you are, what you like, what you don't like, what your beliefs are, what you want); sense of belonging (being connected to others); sense of personal power (awareness of the impact you have on what happens around you including that you will be listened to and your views respected). This collection: Is easy to use Works in classes and small groups Includes games to promote brain development Builds self-esteem in children who have lower self-esteem Maintains self-esteem for children who have sound self-esteem Can be used as part of many other programmes as a preventative measure.
