

Underdogs: How Two Indian Athletes Beat the Million Dollar Arm and Became Professional Baseball Players

Baseball players come from Cuba, Korea, Japan...India? India is the least likely place anyone would expect a professional baseball player to come from, but one man saw potential, and gave two men a chance to prove themselves. After a strong display of athletics on the Indian television show Million Dollar Arm, two pitchers (Rinku Singh and Dinsesh Patel) were invited to America by the Pittsburg Pirates. Some saw it as a publicity stunt, and maybe it was, but these two men were able to prove they deserved that chance. This book tells their inspiring journey. NOTE: This book is not endorsed by Rinku Singh or Dinsesh Patel, and should be considered unofficial.
