

## An Alternative History of Mankind

About the Book: In the beginning, it was Them. It has always been Them. They have been here from our beginning and are the missing link in our Evolution. Follow our alternative history from Egypt to Rome to our Founding Fathers to Hitler to the accidental sinking of the Titanic by a USO to our Presidents. Our true history is now documented for you. If you were hoping to read just another run of the mill UFO book, then this book isnt for you. This book will cause you to question everything youve ever been told from Science to Evolution to Creation. Do not sit up at night and read this book to Your Grandchildren!
