

The Art and Business of Champagne (Paperback) - Common

When people raise their glasses in celebratory toasts, few are aware of all the work behind the fizz. Here is a book to open their eyes with an inside look -- from the vineyard to the marketplace -- at the world of champagne. Just like good wine, the book begins with the grapes: variety, growing season, harvesting and pressing method. Blending, bottling, aging, fermenting and storage are also disc...
