**About the Book** If you loved the Chicken-Soup for the Soul series, then you'll love Who Ate My Grapes? Its a book full of motivational short stories that will not only inspire and motivate you, but will also give you great practical advice on everyday situations. This book is extremely funny in some parts; and yet, very deep and thought provoking in others. It will elicit numerous emotions from its readers and shed more light on solutions to problems we face on a day to day basis. If you're looking for a book that will not only motivate your soul, but also cultivate your mind, then look no further. Who Ate My Grapes? Will leave you both inspired, and prepared.

**Hear What the Critics are Saying** Very heart-warming stories; not only was this book inspirational, but it was also incredibly helpful. I would highly recommend it to anyone who is lost and needs to find themselves. Amazing Book.

-Mary Jones -Valley Daily News I enjoyed this motivational book quite a bit. My favorite story was the one about the Peanut Butter And Jelly sandwiches. Five Stars.

-Judy B. Cohen Elite Media Group This was a very up-lifting and inspirational book. It both motivated and taught me to think outside of the box. A Must Read.

-Dave Baker -Book Bloggers of America I was really moved by some of the stories; what I like about this book is that some of the stories were motivational and others were just about teaching a specific lesson.

Ten Thumbs Up. -Debra Eisner -Literary Times Inc. Very inspiring book with great stories; I Highly Recommend this one to anybody who likes to read, and whose soul needs a bit of healing. -Emma Righter

-Writers United Group I liked a lot of the stories; my favorite was the one about the Gumballs; since I'm in sales, it made a lot of sense to me. This is definitely one book you will not regret buying. Great Book!

-Carl Mosner Readers Cove Unlimited This was a great book. I really enjoyed the

stories, and the lessons were very helpful. Its a Wonderful Book that really makes you think. -Lee Ratner Daily Media Trends, Inc. Editorial Review Who Ate My Grapes? Is a book that will make you laugh and think at the same time. The way the author explains very complex issues in such a simplistic, easy-to-comprehend fashion is commendable. These are the types of stories that feed our soul. Any generation, young or old, will enjoy this book very much; many of its stories are not only inspiring, but also true. If you are looking for a book that will not only inspire you, but will also challenge the way you view the world, then this is the book for you. A Must Read! Jim S. Stein
