

The Baby Chronicles (Mills & Boon Silhouette)

Whitney Blake left spinsterhood behind when she became Mrs. Chase Andrews, and marriage is all she'd hoped for. But when her friends Mitzi and Kim start going baby-crazy, she longs for her own little bundle of joy. Wouldn't it be fun if they all could embark on their baby journey together? And so begins *The Baby Chronicles*, Whitney's journal of pregnancy, recording every bump and blessing and a few unexpected detours and discoveries on the road to motherhood.
