

The Bad Girl and The Good Boy

Im Evelyn. Evelyn Jo. How about you, handsome? A girl in her underwear introduced herself to the clean-cut four-eyed Xavier Coin, grabbing his hand and making him blush - and life, as he knew it, would never be the same. Dark hair, black ensembles, badass tattoos, and sporting the perpetual smirk Evelyn Jo is the ultimate bad girl. She does what she wants, whenever and wherever, and relishes defying authority. A real badass chick. Xavier Coin, on the other hand, is the perfect good boy. Hes nice, loves his mom, gets really good grades, a teachers pet, and a member of the Mathletes club. They are polar opposites and would probably have never met but for a wrecked car, a school fire, a vindictive authority figure, and a funny twist of fate which landed Evelyn in the Coin home. But do opposites really attract? And will friendship and love really beat all odds when faced with psycho bad boys, clueless buzz kill adults, and other seemingly insurmountable odds? Will the bad girl and the good boy get along, become good friends, and perhaps become something more?
