

The BBQ Companion: 180+ Barbeque Recipes from Around the World

In this ultimate barbecue cookbook, the humble backyard barbecue is a force to be reckoned with. Bens recipes offer up everything from juicy meats like Mexican suckling pig and Indian spice-crusting fish, to Caribbean jerked chicken and Singapore chilli crab, barbecued spice-crusting tuna with tahini dressing to succulent vegetarian dishes like artichokes with lemon, honey, thyme and almond or grilled haloumi with lemon and mint - you'll have your friends talking about your barbecue for years. In this compendium you'll also find the best drinks and desserts to accompany your meal, along with recipes for all the rubs and marinades, breads, salads and vegetables you'll ever need to make your barbecues the best in the neighbourhood. Whether your pride and joy is a wire rack over an open fire, a sturdy kettle barbecue or a deluxe gas-fired hotplate, The BBQ Companion is full of easy recipes that get the home fires burning.
