

## The Beast in Him (Pride)

Some things are so worth waiting for. Like the moment when Jessica Ward accidentally bumps into Bobby Ray Smith and shows him just how far she's come since high school. Back then, Jess's gangly limbs and bruised heart turned to jelly any time Smittys all the better to ravish you with body came near her. So, some things haven't changed. Except now Jess is a success on her own terms. And she can enjoy a romp-or twenty-with a big, bad wolf and walk away. Easy. The sexy, polished CEO who hires Smittys security firm might be a million miles from the lovable geek he knew, but her kiss, her touch, is every bit as hot as he imagined. Jess was never the kind to ask for help, and she doesn't want it now, not even with someone targeting her Pack. But Smittys not going to turn tail and run. Not before proving that their sheet-scorching animal lust is only the start of something even wilder.
