

The Bewitched Bartenders Guide

The Bewitched Bartenders Guide is a collection of alcoholic beverages that someone from the Bewitched television series might have consumed. As the Bewitched fan knows, one of Darrin's coping mechanisms to deal with the mayhem would be to retreat to Joes Bar and Grill. He often would tell his woes to a lonely drunkard. Darrin: My wife's a witch, my mother-in-law is a witch, I'm surrounded by them. Drunk: You ought to see my mother-in-law, she has fangs. (Samantha pops into the bar) Samantha: Darrin, are you coming home? Darrin: No. Drunk: Well, she doesn't look like a witch to me! Darrin: Well, she is!!! Eventually, in his inebriated state, he would find his way home. This handy guide is for anyone who likes to drink!
