

## The Catcher Was a Spy: The Mysterious Life of Moe Berg

The only Major League ballplayer whose baseball card is on display at the headquarters of the CIA, Moe Berg has the singular distinction of having both a 15-year career as a catcher for such teams as the New York Robins and the Chicago White Sox and that of a spy for the OSS during World War II. Here, Dawidoff provides a careful and sympathetic biography (Chicago Sun-Times) of this enigmatic man. Photos.
