

The Chanterelle Book

A culinary and historical paean to the venerable *Cantharellus cibarius*, this book traces the fragrant fungus through some 5,000 years of history to its current popularity in farmers markets and gourmet restaurants around the country. Eloquent scientific and literary tributes from Scandinavia, Germany, and Italy, full-color illustrations, and a wealth of fascinating biological, ecological, and geographical facts work together to create a picture of a truly unusual treat.

the chanterelle book, olle persson comprar el libro - However, frozen chanterelles are a good addition to soups and stews. Canned chanterelles are also occasionally available, generally imported from Europe. **The Chanterelle Book: Olle Persson, Bo Mossberg:** The Chanterelle Book has 5 ratings and 2 reviews.
