THE CLIA GUIDE TO THE CRUISE INDUSTRY is the definitive resource for those who need to understand the contemporary cruise industry. This is the official book of the Cruise Lines International Association (CLIA), to which 90 percent of the worlds cruise lines belong. This authoritative text is designed to support CLIA's highly regarded certification program while covering all the essential aspects of today's cruise industry, from sales and marketing to operations. Written by noted travel authority Marc Mancini in a style that provides an enjoyable learning experience for readers, the book blends definitions, statistics, anecdotes, observations, and examples into an entertaining and informative look at the cruise industry.
