

## The Complete Estate Planning Guide (Mentor Series)

Whether you're just starting out, building success, or planning for retirement, this definitive guide tells you how to set up a long-range to lifetime financial program that will safeguard your assets, provide security, and benefit yours heirs. Revised and updated to include the latest tax law changes, this is the most comprehensive reference book on the subject for the average person, and explains in nontechnical jargon every aspect of modern estate planning.
