

The Complete Guide to a Creative Retirement

Creative retirement involves passion, emotional commitment, quality of life, and a zest for living. Are you missing any of these things? Is your retirement going the way you thought it would? This humorous innovative guide will change your perception of traditional retirement. It will broaden your views on which activities are appropriate for retired people. Each retiree is faced with the dilemma of self-reinvention. The activities with which you choose to fill your days will ultimately determine the quality of your life.
