

## The Complete Idiots Guide to Starting and Running a Winery (Complete Idiots Guides (Lifestyle Paperback))

Making the dream a reality For many people, owning and running a winery is a dream job. According to Wine Business Monthly, the number of wineries in the U.S. has jumped 26% in less than three years. To carry out this dream, one must understand that wine making involves both science and art. Starting a winery is just like starting any other business and requires planning and a deep understanding of the industry. In The Complete Idiots Guide to Starting and Running a Winery, readers will learn: How to put together a business plan Different varieties of grapes and wines How to lay out a floor plan and what equipment is needed How to promote wines
