

Does This Cookbook Make Me Look Fat?: Healthy Recipes That Even HE Will Eat!

A funny, healthy cookbook with over 100 low fat, low carbohydrate recipes that your family will love! Does This Cookbook Make Me Look Fat? is a must for anyone who wants to cook healthful food that's flavorful and easy and who wants to giggle while they do it! Most of the recipes take less than an hour to prepare. There are many that are simple enough to help those beginner cooks to amp up their cooking skills and there are more involved dishes that the experienced cook can work with and change at will! This cookbook features serious information without taking itself too seriously. It includes original features such as Herbs And Their Health Benefits and Superfoods And How They Help Your Body. Does This Cookbook Make Me Look Fat? contains original and re-engineered recipes that will make the reader feel proud while cooking and eating. It will become a go-to cookbook for a lifetime of fast, easy and (mostly) healthy living.
