## The Cookbook Of Culinary Elegance!: This Recipe Book Features Gluten Free Recipes & All Natural Gluten Recipes with each Ingredient Made From Scratch

The Cookbook of Culinary Elegance is authored by a retired professional chef and his daughter. What makes this cookbook special is that EVERYTHING in each recipe is made from scratch! There are other healthy recipe books out there, but when a recipe calls for chicken broth, mayonnaise, taco seasoning, chili powder, cream of chicken soup, tomatoes & green chiles, etc... they are referring to broth or soup from a can, taco seasoning from a packet, chili powder pre-made in a bottle, processed tomatoes & green chiles from a can, or processed mayonnaise from a jar etc. Ever looked at the ingredients on the back of these? If you truly want to eat healthy then make your own. This cookbook features gourmet gluten free recipes, alternative recipes for the lactose intolerant, and healthy gluten recipes for everyone where ALL ingredients are made from scratch! This recipe book will tell you how to make your own condiments, spices, and much more. A very special recipe book!
