

# The Curious Little Boy

Do you remember the stories of a curious little monkey named George, and all the trouble his curiosity caused the man with the yellow hat? Now comes a true story of a Curious Little Boy, and the trouble he caused his frantic mother. Written by a real life mother of five children, the story follows the antics of a little boy with sturdy little legs who loved to explore, experiment, and climb. You'll laugh at the illustrations drawn by the artist mother, and colorized by her grandchildren. Perhaps you have a Curious Little Boy or Girl of your own.
