

The Essential Book of Boat Drinks & Assorted Frozen Concoctions

For more than a decade, the hardcover edition of this Parrothead favorite has been available only at Jimmy Buffetts Margaritaville stores, as well as through their website. But now this fifth edition of The Essential Book of Boat Drinks has not only been updated, but also expanded in both a softcover format and the Kindle format. You dont need to own either a boat or a blender to enjoy the stuff in this book. All you need to know are a few good songs by heart.
