

## Low Fat Cookbook

Low-fat cooking never tasted so good! Cutting down on fat doesn't mean cutting down on flavor with *The Low Fat Cookbook*, the essential guide to exquisite low fat cuisine that is guaranteed to excite your palate and keep you healthy. Award-winning author Sue Kreitzman presents a mouthwatering selection of low fat menu ideas suitable for every occasion, from simple, tasty snacks to delicious three-course meals. Whether you are preparing beef braised in red wine or a chocolate roulade, *The Low Fat Cookbook* shows how to transform high fat recipes into tempting low fat meals. Step-by-step, full-color photographs show how to improve your cooking techniques to create food that not only tastes good but is beneficial to your health. Clear close-up photography illustrates more than 150 easy-to-make recipes spanning contemporary classics and traditional favorites, as well as low fat adaptations of regional specialties. Each recipe has a full nutritional profile, stating the amount of cholesterol and fat, as well as calories and sodium. Also, naturally low fat foods are highlighted in this essential guide to a healthier, tastier diet.
