

Grillin with Gas: 150 Mouthwatering Recipes for Great Grilled Food

With 10 million gas grills sold each year, this year-round cooking tool has simply become an extension of the kitchen. Home cooks need recipes to keep that gas grill humming. Fred Thompson's latest recipe collection is a gift to grillers everywhere, a red-hot cookbook that focuses entirely on delicious recipes designed specifically for gas grills. Fred serves up a mouthwatering menu for a variety of juicy steaks from New York Strip to Bourbon Grilled Rib Eye plump burgers and sizzling sausages, as well as dozens of fish, lamb, and pork dishes. The 150 tasty recipes also spotlight flavorful fruits, vegetables, sides, and desserts, plus an array of sauces, rubs, and marinades that will top things off perfectly.
