

## The Greatest Gift of All Is... A Son Like You: Words to Share With a Wonderful Son (Blue Mountain Arts Collection)

A son is an amazing combination of curiosity, daring, talents, and dreams. He grows up, but he always keeps some of the little boy he once was. He is your legacy to the future. In this book, every son will find something to reflect on and appreciate, in words that perfectly convey the love and pride in a parents heart. The unique handmade paper used for the cover of this book is first crafted from mulberry trees and then hand-colored by artisans. Each book cover in this eloquent series is distinct and different, and the environment is not harmed in the making of this paper.
