

The Hidden Dreams: Prospecting for the Precious Resource of Untapped Youthful Energy

The Hidden Dreams is about the power of the dream. It introduces the dreams of 545 students who were courageous enough to articulate their dreams so all of us can be aware of their goals and aspirations. These students tell us that it is all right to dream and that we can do so safely and securely. This book helps one to recognize that there are obstacles, but when a dream is ignited no obstacle is too great to be overcome and conquered! To succeed in our quest to fulfill our dreams, this book supplies the reader with a special map the DreamMap. The map will help the reader to ascend the Pyramid of Success. The Author hopes that this book will help every person, young and old, to ignite the passion for his or her dream and to embark on a wonderful journey to live the dream and fulfill it.
