

The Standard & Poors Guide to Building Wealth with Dividend Stocks

Improve your investment returns with expert advice from the worlds leading financial information organization Investors are rediscovering the profitable advantages of dividend-paying stocks, due to the bird in the hand nature of regular dividend payments, dramatically reduced historical volatility, and the current reduction in the federal dividend tax rate. The Standard & Poors Guide to Building Wealth with Dividend Stocks tackles all the key issues for adding the stability and performance of dividend stocks to your portfolio, providing hands-on techniques for identifying the best dividend-paying stocks and companies, using dividend tax law changes to improve returns, and implementing innovative dividend stock strategies.
