

## Journey Into Prayer

Who is this product for? Prayer is a lifetime journey. Along the way you may encounter road blocks or wrong turns, but Journey into Prayer provides a solid road map for reaching the ultimate destination: personal conversation with God in His Word. Whether you are a new Christian or a seasoned prayer warrior, Journey into Prayer is a helpful, practical resource that will help you focus on your prayer life and find new ways to communicate with your Lord and Savior. What does this provide for you? A profound understanding of prayer when, where, why, and how do you pray? Practical prayer exercises to help maintain your focus. Thought-provoking questions to help you process what you learn; they offer a great opportunity for group discussion. What is it? Prayer is also a gift from God. From the introduction, To Jesus, prayer was central and essential. He prayed not because He had to or only to give a good example but because He needed it urgently. Sensing what prayer meant to Him and did for Him, one of the disciples longed for that experience and knew that the others felt the same way. All of this is behind the plea, Lord, teach us to pray. It's a conversational read with lots of exciting biblical insights and topics include:

1. Roadblocks, Detours, and Wrong Turns
2. The Destination
3. The Itinerary
4. Two-Way Traffic
5. A Life-Changing Journey
6. Travel Arrangements
7. Travel Guides
8. Travel Companions
9. Journey without End Notes
