

Everything You Need to Know about Everything You Need to Know about

From before the big bang to right up this very moment in time, and from the Bible to Facebook, its all here under one roof - the works. All of it. Everything you need to know about everything you need to know about! And not only does this totally unique book cover everything you need to know, it also helpfully comes in visually amazing, never-before-seen illustrations, bar graphs, pie charts and diagrams that are easy-to-remember and difficult to forget. Never again will you forget all the essential facts of life, how we live and the world around us. Everything You Need...is stuffed to the brim full of the facts, dates and things you should always be able to remember without needing Google. This book is perfect for learning about, well, everything, in a way that not only have you never seen before, but in a way that you will never forget.
