

## Death at My Doorstep

In this book, a collection of obituaries written over the years, the celebrated author presents the dead in death, as in life -- good, bad or ugly. Be it on the twilight hours of Bhutto, the gory end of Sanjay Gandhi, the sycophantic M. O. Mathai, the Marxist millionaire Rajni Patel, the overbearing Lord Mountbatten, or on his pet Alsatian Simba, each obituary bears out his irreverence or affection.
