

Mans Book of the BBQ: A Celebration of Full On, Flame On, Macho Cooking!

Cookings for girls, but theres nothing wussy about a BBQ. Its full on, flame-on, macho cooking in a comedy apron. Its cooking the way God intended...just man, nature, red meat, a beer in one hand and oversized tongs in the other. Better yet, this book contains everything a young grillslinger needs to master the fine art of outdoor grilling, from a rundown on the glorious history of mans BBQing forefathers to the lowdown on the most badass barbies ever created in the history of the world. So, if you would like to revel in setting coals on fire on a sunny day to provide culinary delights for your family...man up and buy this book.
