

Touched By Time (Zebra Regency Romance)

Ramsay Chadwick has grown accustomed to the blurred ghosts that occasionally inhabit his bed. They're a minor inconvenience compared to the fact that his beautiful fiancée is flirting with another man. But the latest ghost to visit his room, Miss Jane Leighton, is nothing like the others. For one thing, a single touch turns her into a flesh and blood woman - revealing substantially more flesh than would be deemed proper by the ladies of Bath. For another, this lovely, spirited creature stays in his world from dusk till dawn...and suddenly, Ramsay finds himself waiting eagerly for evening...Jane treated herself to a vacation in Bath to escape from relationships - not to play matchmaker for the most intriguing, handsome man she's ever seen. And did she happen to mention that he lived two hundred years ago, and they can only meet at night? It's a decided complication...but falling in love is proving all too easy - and letting him go will be impossible...
