

The Pregnancy Prescription 2nd Edition

In the second edition of the acclaimed Pregnancy Prescription, Dr. Hugh Melnick, a pioneer in the development of outpatient In Vitro Fertilization services, provides timely information for couples seeking to understand and overcome infertility. Written from the heart, Dr. Melnick addresses such topics as The Critical Role of Genetics in Infertility, Helpful Advice for Dealing with the Emotional Issues Associated with Infertility, and Guidance for Choosing an Infertility Specialist and an IVF Clinic.
