

# The Presenters Handbook: How to Give a Captivating Performance - Every Time!

If you want your presentation to get your key message across to the audience immeasurably more effectively, then this book is designed for you. Whether you are selling, educating, informing, sharing or even preaching, the contents of The Presenters Handbook will transform your presentation skills and communication ability, starting immediately. You'll be able to powerfully apply the lessons not only when you present, but in many other communications-related aspects of your life; in fact, pretty much any time that you meaningfully interact with other human beings face-to-face. I know that may sound like a bold claim to make, but trust us as it is absolutely true! In The Presenters Handbook, business communications psychologists and training experts Phillip Adcock and Ian Callow provide a range of strategies and techniques that will transform the way you deliver presentations. Drawing on their wealth of knowledge gathered over 30 years of training and presenting, they reveal some of the ground breaking tools you can use to present confidently, engagingly and, most of all, effectively. Learn to transform yourself into a master of presentation and communication. Channel any fear of presenting into positive and charismatic energy on stage. Find out how you and your presentation content can combine to deliver a truly captivating performance. Discover how to Power Present so that you embed your messages into the minds of your audience. The Presenters Handbook is a revolutionary new way for you to develop your own presenting personality and ability. It will demonstrate step-by-step how to communicate to audiences large and small with a new-found confidence, energy and ability. This book is the definitive guide to presenting success in the communication age.
