

## The Princes Texas Bride (Royal Babies series)

When Eve Jackson was offered her dream jobstable master for the tiny Mediterranean kingdom of Chantaine it was an opportunity she couldnt pass up. The horses were as gorgeous as the scenery, but there was one problem: her handsome but infuriating boss, Prince Stefan.Stefan was hell-bent on being a true ruler, unlike the generations of playboys that preceded him. But the feisty, formidable Texan hed just hired proved quite a distraction. Hed never known a woman as challenging or as irresistible. But this ordinary commoner was off-limits for Stefanunless hed finally met his royal match!
