

The Raw Vegan Infant Milk Recipe Book: Your Guide to Nutritionally Complete Milks for Infants & Children

This revolutionary recipe book contains dozens of Raw Vegan Milks that are Nutritionally Complete! Perfect for the life of a thriving infant! No formula or cow milk! And no processed vegan junk either. Just natural Earth solutions! This book outlines the information about which foods address all our infants nutritional needs; proteins, carbohydrates, healthy fats, vitamins & minerals; and exactly how to incorporate this valuable information into your babys life. For whatever reason you choose this path; health, environment, cruelty-free, or simply just to incorporate more healthy habits into your life and the life of your children; this book is an absolute MUST HAVE! This is your guide to raising children so healthy that they develop properly, never get sick and are cognitively brilliant and HAPPY! Cheers to health and the next generation of superhuman babies!
