(Environmental Systems Science students should purchase The Environmental IA instead.) NOTE: This book does not include a discussion of manipulative skills or the group 4 project. About the Author Daniel Slosberg has taught IB DP Physics, both HL and SL since 2007 at Victoria Shanghai Academy in Hong Kong, China and has shared this book with his colleagues teaching Chemistry and Biology to ensure it is relevant to all the disciplines. It is Daniels hope that this short book will allow students all over the globe to achieve greater success in writing their scientific reports so that they will be under less stress when they write their external examinations. More importantly, however, he hopes that students reading this book enjoy science and apply it usefully in their daily lives long after they have graduated from the diploma program.
