

500 DATES.....And Still No Happy Ending: The Good, The Bad, & The Ugly of Online Dating

There are approximately 50 million online daters in the world and still the dating world is a mystery to most. The mystery is over as successful businessman Donald Gorbach went deep inside the dating world by going on 500 dates to find the Good, Bad and Ugly of online dating. The result is his new book, 500 Dates...and Still No Happy Ending. I've been drugged, tied up and robbed. I've been out with models to millionaires to adult film stars. From Professional Daters to Female Supremacists. I've been shot at by angry husbands and bitten in the face by protective dogs. I've lived it all, says Gorbach. There is also a serious side of the book that deals with crucial safety tips and how to prevent bad things from happening to you. It's a must read for anyone considering online dating or who is presently online. Everything you will ever need to know on your next date is here...and then some.
