

The Spirit Contemporary Life: Unleashing the Miraculous in Your Everyday World

What if the Supernatural Became Normal and Natural in Your Life? How would your world change if you regularly experienced the miraculous? And what if this happened everywhere you went in a way that attracted people to Jesus? It wouldn't just make a difference in your world...it would make the world different. It might sound too good to be true...but that's the Spirit Contemporary life. While working as a first responder in an ambulance, Leon Fontaine longed to see God's power at work outside the four walls of the church. He learned through many life-changing experiences that we can all unlock the miraculous in a way that works anywhere at home, in a hospital, at work with anyone! The Spirit Contemporary way of life involves communicating with others as Jesus would...using their language, stories, and settings. Leon draws on biblical truth and personal stories to reveal how this dynamic first-century faith can be yours when you live so in tune with God that you're guided in ways that are both natural and supernatural. In a world seeking an authentic, transparent, and genuine touch of God, Leon equips us with a Christ-centered, Spirit-empowered, Bible-based, kingdom prescription. --Samuel Rodriguez, president, National Hispanic Christian Leadership Conference, author of *Be Light* When Spirit and Contemporary are synergized, phenomenal outcomes will happen in the church! I believe this valuable resource will help the church go to higher levels of impact and influence in the years ahead. -- Dr. Elmer L. Towns, co-Founder of Liberty University Unleash the Miraculous in Your World! The Spirit Contemporary Life reveals the key to living an empowered life one that connects your day-to-day existence with God's supernatural power. When faced with the realities of a hurting world as a first

responder-EMT, Leon Fontaine developed a passion for seeing Gods miraculous power at work--not only at the altar--but also in the back of his ambulance. And he wanted to do it in a way that wasnt strange or off-putting to those who didnt know Christ. Maybe you can relate? You want to hear from God more clearly and see miracles happen in your everyday life. And you want to live your life in a way that attracts people to the Jesus you know and love. Using real-life examples, Leon demonstrates how you can access Gods supernatural power without compromise, and do it in a way that draws others to Christ. If this sounds good, hang on, because youre in for the adventure of your life! This transformational shift wont just change you. It will change the world around you.
