

## The Truth About Faith and Leprechauns

The Truth About Faith & Leprechauns takes place in Phoenix Arizona and moves into a fantasy world called Erden where Elves and magical creatures really do exist. It takes the reader from the world they are familiar with to a world which is simpler in ways and much more complex in others, the world of Erden, seen through the eyes of two teenagers and a nine year old girl from Phoenix. They face great evil and meet wonderfully good creatures they make lasting friendships and face dangers no one should have to face. In everything they learn more about faith and the nature of God and how He will answers prayers in our world or any other.
